LAS VEGAS, Feb. 4, 2019 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or the "Company") announced today that the company launched *Jin Ji Bao Xi*, currently the number one linked slot product from Scientific Games in Asia, throughout the rest of its Class 3 gaming markets. Following on the Company's internationally successful *Duo Fu Duo Cai* series, *Jin Ji Bao Xi* was created by the same studio that developed the hit slot game, *88 Fortunes*.

Scientific Games Launches Jin Ji Bao Xi™, the Hottest Slot in Asia, Along with the New Wave XL™ Cabinet in Class 3 Markets

Jin Ji Bao Xi is launching with the theme, *Rising Fortunes*® and showcases a unique Player's Choice bonus feature. If six or more Red Gong symbols displaying credit prizes land on the reels, a Feature Selection is triggered and the sum of the credit prizes creates the Shou Bonus, which can be won in the feature selection options. Players choose between a Free Games Bonus and the innovative *Top Up* Bonus in which Gold Gong symbols award the Shou Bonus and lucky Green Gong symbols award the sum of all Gong symbols, resulting in a rising fortune!

The Free Games Bonus awards 8 free games, during which additional free games can be won and each Gold Gong symbol that lands on the reels award the Shou Bonus. There is also an exciting Jackpot Feature where players pick from gold coins to match three lucky symbols that correspond to one of four jackpots, the top two jackpots being near-area progressives.

Jin Ji Bao Xi – Rising Fortunes is a 5-reel, 243-ways to win game and is now available on the hugely successful *TwinStar J43*[®] cabinet or the stunning, new *TwinStar*[®] *Wave XL* and can be found in casinos throughout North America, South America, Europe and Africa.

"Since *Jin Ji Bao Xi* was released in Asia and Australia, it has already proven to be a smash hit, attaining impressive sales and performance numbers," said Bob Parente, Senior Vice President and Chief Revenue Officer of Scientific Games. "We are thrilled at the initial performance of this game and are very excited to offer this outstanding game to our customers and players across the globe."

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 1, 2018 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
